

To Whom It May Concern:

I am honored to vouch for Lillie Struck on any opportunities that arise on the softball field and in the classroom. I've known Lillie, and her family, for many years and I've been able to interact with her as Lillie's club softball coach, mentor, and family friend. I've seen her grow immensely as a softball player and young woman through those years.

Lillie excels when inside the circle of any softball field. This is where she feels most comfortable, allowing her skill and determination to take over. The skill set is evident when watching on film or sitting in the stands. Through a variety of pitches, and winning mentality, Lillie has led her teams to many victory celebrations. Those accomplishments will only grow over the next few years as her leadership continues to mature.

Even with Lillie's current success, I am most excited about the opportunities for her to grow further. I believe Lillie has untapped potential that she can achieve with her work ethic and determination to succeed. While some softball athletes reach their pinnacle before the end of their high school career, I feel that Lillie will continue to grow throughout high school and into college. With supportive coaching and high-character girls surrounding her, Lillie will be a cornerstone piece of a collegiate program that rises above expectations.

I am proud of Lillie's development as a softball athlete, yet more proud of the outstanding young woman she has become. Lillie is the friend that everyone wants in their life. She's one of the first individuals to lend a hand when needed. Lillie understands the importance of education. She shows respect to those around her, and in turn gains respect from those that know her. Lillie appreciates her family and gives back to her community. She is coachable and has the ability to turn critical feedback into positive gains. Lillie is the type of athlete that coaches get excited to work with.

I am confident that Lillie Struck will exceed as a student athlete at the next level. I am looking forward to following her journey and cheering her on as a forever supporter.
